Handset Speakerphones

Allow you to speak and listen without holding the handset. This leaves your hands free to do other things and lets more people participate in the conversation.

100 Name/Number Phonebook Directory

Program up to 100 names and associated phone numbers in the handset. Easily access the directory entries by scrolling alphabetically or entering the first few letters of the name.

Backlit Keypad and Display

Easy-to-read LCD on the handset and the lighted handset keypad allow for easy dialing in low-light conditions.
